

INTERNATIONAL SCIENTIFIC CONFERENCE

GEOGRAPHY IN ITS COMPLEXITY

In honour of the work of Prof. Veljko Rogić (1925 - 2017) on the occasion of the 100th anniversary of his birth.

Krasno, Mt. Velebit, Croatia

September 18-19, 2025.

About the conference

In honour of the work of Prof. Veljko Rogić (1925 - 2017) on the occasion of the 100th anniversary of his birth.

The conference will take place in Krasno - Mt. Velebit, the historically important mountain centre above the small towns of Senj and Sv. Juraj in the Croatian Littoral region at the foot of Mt. Velebit, his home region and great inspiration for his lifelong research.

Explore the diverse range of topics and sessions awaiting you at the conference.

From in-depth discussions on historical geography to interactive sessions on climate change, this event offers invaluable insights to geography scientists worldwide.

18TH OF SEPTEMBER, THURSDAY

Conference Day 1 Program:

1. Official Presentations

Welcome to the first day of our conference, set to take place on 18th of September 2025 at Krasno, Velebit House. The day will commence with an official session dedicated to showcasing the innovative research contributions of registered authors and co-authors.

The first part of the conference will focus on oral presentations, where selected participants will present their original works in various fields as outlined in our conference themes. Each presentation will provide a unique insight into the latest developments and findings, fostering a dynamic exchange of knowledge among attendees.

2. Evening Joint Dinner at Konoba Jure

To conclude the first day of the conference, we invite all attendees to a joint dinner at **Konoba Jure, located in Krasno**. This informal gathering will take place at 7:30PM, providing a wonderful opportunity for participants to unwind after a day of presentations and discussions.

The dinner will feature a selection of exquisite local cuisine, allowing attendees to experience the culinary delights of our region while fostering a relaxed atmosphere conducive to networking.

Please confirm your attendance at the dinner by replying to the official conference emails:
rogic100conference@geog.pmf.unizg.hr
nina@yachtingplace.com

19TH OF SEPTEMBER, FRIDAY

Conference Day 2 Program - OPTIONAL

1. Excursion to Northern Velebit National Park

On the second day of our conference, we are excited to offer participants a unique opportunity to explore the breathtaking Northern Velebit National Park. This excursion will showcase the stunning natural beauty of one of Croatia's most picturesque landscapes while providing a chance for attendees to connect with nature and each other. Participants will embark on a guided nature tour with focus on geomorphology.

This is a wonderful opportunity to experience the park's diverse ecosystems and natural heritage, while also engaging in the vital protection of the biosphere. Additionally, this experience allows for an insightful exploration of traditional mountain lifestyles that have coexisted with nature for generations. By appreciating both the natural beauty and the cultural practices of local communities, we can foster a deeper understanding of sustainability and the importance of preserving our environment for future generations.

A picnic lunch will be provided, allowing attendees to relax and enjoy their meal amidst the beautiful surroundings.

Additional guided Velebit tour fee is €40 per person.

Please note that the number of spots is limited, and registrations will be accepted until full occupancy.

You can make the payment for guided Velebit tour together with the registration fee for the first day of the conference. When making the payment, please include the full name of the participant in the payment description.

20TH OF SEPTEMBER, SATURDAY

Day 3 Program - OPTIONAL

Velebit Rocks at School

Rock Collection Opening and Educational Workshop in Sv. Juraj

On the occasion of the International conference on the 100th anniversary of the birth of the Croatian geographer Prof Veljko Rogić (18-19 Sept 2025)

Inspired by the initiative of students and teachers from the school, we are excited to unveil the first pieces of a growing collection.

We are pleased to invite you to the opening of our Velebit Rock Collection, bringing the wonders of Croatia's iconic mountain range into the classroom.

🕒 Time: morning

📍 Location: Elementary School Sv. Juraj

Join us as we celebrate this exciting addition to our school's learning environment with:

- ◆ A short opening
- ◆ An introduction to the Velebit rock collection
- ◆ Hands-on workshops for school students

This event combines science, nature, and education — inspiring young minds through the timeless beauty of stone.

We look forward to welcoming you!

Day 3 OPTIONS AND ACTIVITIES

On the third day, we offer conference participants an organized visit to the city of Senj.

During the sightseeing tour, we will visit landmarks such as the Nehaj Fortress, the Cathedral of the Assumption, the catacombs, and the City Museum, where participants can learn more about the history and culture of this beautiful town.

(Please note that the entrance fee to the fortress and museum, as well as the guided tour, is not included in the registration fee. The individual ticket price for the Senj Fortress and the City Museum is 5 EUR per person. For larger groups, it is possible to arrange a discount.)

We invite you to join this unforgettable experience and explore all the beauties that Senj and its surroundings have to offer!
